What is a Bridge Loan?

- **Short-term loan** supported by State of Florida taxpayers
  - Not a grant and must be repaid!

- **Interest and fee free** working capital intended to “bridge the gap” between the time a disaster hits and when a business has secured longer-term recovery assistance.

- Administered by the State of Florida Department of Economic Opportunity in partnership with and assisted by Florida SBDC Network and Florida First Capital Finance Corp.
What is a Bridge Loan?

• Appropriation
  – $50,000,000 (Florida Taxpayer Investment)

• Applicant
  – Loans made to individual(s) who own, individually or collectively, at least 51% of an Eligible Business.

• Amount (Max)
  – $50,000 per Business
    • Up to $100,000 under certain circumstances

• Term
  – 1 Year (365 days from promissory note date)

• Interest
  – Interest-free for the term of the loan (1 Year) : NO origination fees
State of Florida Small Business Emergency Bridge Loan Program

What is a Bridge Loan?

• Collateral
  – None – unsecured loan guaranteed by applicant(s)

• Limitation
  – Only one loan may be made per Eligible Business

• Use of Proceeds
  – Required to sign an agreement that proceeds of the loan will be used only for purposes of maintaining operations or restarting the business in the designated disaster area.

• Sources of Repayment:
  – Required to certify that the proceeds of any insurance claims or other loans applied for (e.g. federal disaster loan) shall be applied or assigned to the repayment of the loan. Business may use business proceeds to repay loan.
Who is eligible?

- Business must have **been established and actively operating** a business **physically located in Florida** prior to the date of the designated disaster.
  - Designated Area: All 67 counties in Florida per Executive Order 20-52.
  - Designated Disaster Date: March 9, 2020.
  - For purposes of this program, actively operating an established business means carrying out the performance of activities for the production of income from selling goods or performing services.
State of Florida Small Business Emergency Bridge Loan Program

Who is eligible?

• Business must be a for-profit, privately held small business that has or had a minimum of two (2), but no more than one hundred (100), employees within the previous year of the date of the declared disaster.
  – For purposes of this program, employee includes “1099 employees” (i.e. independent contractors).

• Business must have repaid, in full, any previous Florida Small Business Emergency Bridge Loan.

• Business applicant must demonstrate that the business has suffered a significant economic injury as a result of the declared disaster event.
How we help!

www.FloridaSBDC.org/locations

- answer questions and expectations about the loan program
- pre-screen potential applicants for program eligibility
- provide assistance in completion of the application package
- organize and facilitate bridge loan committees
  - SBDC does NOT participate in the loan decision making process
- act as primary point of contact for applicant throughout process
- if approved, facilitate the closing and distribution of the loan
- provide ongoing, no-cost professional business continuity and strategic planning consulting throughout recovery

Helping Businesses Grow & Succeed
Federal U.S. SBA
Small Business Disaster Loan Assistance

• Serves to aid, counsel, assist, and protect the interests of small businesses

• **Plays a critical role** in assisting victims of natural and other declared disasters

• SBA disaster loan programs are the **primary Federal disaster loan assistance for private sector small businesses** impacted by disasters.
One type of SBA business disaster loans for COVID-19:

— Business Physical Disaster Loans
— Economic Injury Disaster Loans (EIDLs)

Physical Damage Disaster Loans: Provides up to $2 million in funds to businesses and private non-profit organizations of any size in the declared disaster area that have sustained uninsured losses. Funds can be used to repair or replace business property to pre-disaster conditions.

Economic Injury Disaster Loans: Provides up to $2 million in working capital loans for small businesses and private non-profit organizations in the declared disaster area that suffer economic injury as a direct result of a disaster. Assistance is provided regardless of whether property was damaged.
COVID-19
U.S. SBA Economic Injury Disaster Loan

• **Direct federal loans** from the U.S. SBA
• **Applicants must:**
  – suffered and demonstrate "substantial economic injury" directly attributed to event
    • unable to meet its obligations and to pay ordinary and necessary operating expenses. EIDLs provide the necessary working capital to help small businesses survive until normal operations resume after a disaster.
  – not have credit available elsewhere
  – good credit history acceptable to SBA
  – demonstrate ability to repay all loans
  – pledge collateral where it is available
• Loan amount **up to $2 M** (higher for “large” employers)
• Interest rate of **3.75 percent**
• Loan terms **up to 30-year** maximum
• Installment payment amount and corresponding maturity—based on borrower’s ability to repay
Eligible applicants may apply online:

SBA (NOT Florida Bridge Loan) hard copy applications should be mailed to:

U.S. Small Business Administration
Processing and Disbursement Center
14925 Kingsport Road
Fort Worth, TX 76155
**SBA Loans | FAQs**

Q: What are the typical issues resulting in a decline?

A: technical application issues

lack of repayment ability

business does not have sufficient cash flow to support current and/or additional debt

unsatisfactory credit history

Q: If an applicant is declined for a disaster loan, do they have the opportunity to appeal?

A: Yes, applicants have up to 6 months from date of the decline letter to seek reconsideration of SBA’s initial decline decision. There is also an opportunity to appeal the second decline decision.
SBA Loan Application Deadline

DON’T WAIT
APPLY TODAY

– If approved:
  • Do not have to accept loan.
  • Do not have draw down the full approved loan amount.
About Disaster Loans

The U. S. Small Business Administration (SBA) provides low-interest, long-term disaster loans to businesses of all sizes, private non-profit organizations, homeowners, and renters to repair or replace uninsured/underinsured disaster damaged property. SBA disaster loans offer an affordable way for individuals and businesses to recover from declared disasters.

STEP 1: Apply for Loan

STEP 2: Property Verified and Loan Processing Decision Made

STEP 3: Loan Closed and Funds Disbursed

Seek assistance from local SBDC office BEFORE submitting the EIDL application
State (DEO) directs Florida SBDC to collaborate with SBA to coordinate federal business disaster assistance, including establishment of Business Recovery Centers (BRCs)
COVID-19 (Coronavirus)
